

Fox News guest PERFECTLY summarises the World Economic Forum's 'Great Reset' agenda, in just one minute:

"The WEF is a fanatical political organisation that uses fear and manipulation, like Covid hysteria, like the hoax of global warming, to really facilitate people thinking that somehow they're the saviours, but really all you're doing is helping them accomplish their goal, which really is a global public-private fascist movement, and fusion of big government, big tech [and] big money, to create a technocratic ruling elite, which conveniently is them."

"They want to create feudalism 2.0, in which we are serfs, and they are the lords ruling over us... That's what they're aiming for."
