Dear Councillors,

I acknowledge receipt of your demand to pay council tax and confirm again that I have paid £\_\_\_\_\_ into a discretionary, revocable, conditional trust (copy attached) and as the trustee will transfer this money to you, the Primary Beneficiary on the condition that before (05/04/2024) you have provided me with incontrovertible documented evidence that:

- Britain's involvement in the criminal wars, war crimes, crimes against humanity and genocides, detailed in Paragraph 2 of the attached Deed, has ended;
- criminal proceedings for crimes of have started against those responsible for Britain's illegal wars and experimental vaccination programme;
- HM Government is acting in full accord with the UN Charter, the UN Declaration on Principles of International Law and the Nuremberg Code; and
- I have received a guarantee of immunity from prosecution now or in the future for offences related to the payment of money (taxes) to HM Government.

I remind you again that the claim that none of the money paid to the Council goes for purposes of terrorism is false and incorrect. HM Government's website states:

The Consolidated Fund (CF) was first set up in 1787 as 'one fund into which shall flow every stream of public revenue and from which shall come the supply for every service'.

I have enclosed with this letter an article that explains the duty to withhold tax, as well as a copy of my Declaration and Deed of Trust and withdrawal of consent to illegal taxation.

Should you and/or His Majesty's Government fail to meet the terms and conditions in the Trust Deed by April 5th 202\_\_, I, as trustee, shall pay the money in trust to the Secondary Beneficiary and free the Trustee and settlor from all obligations to pay money to you.

Yours faithfully

Encl: Declaration and Deed of Trust (copy),
