

PSYCHOPATHS ON THE ATTACK

Please share... to save us all repeating ourselves

- Conflict been going on many years
- Sides that apparently lost, possibly didn't
- Some escaped and regrouped
- Or gained positions of influence in target locations

- E.G. Founders
- Captains of industry
- Chemists, Biologists, Physicists,
- Administrative structure in government departments
- EDUCATION etc

- Aggressors move conflict underground (hidden)
- invasion of target countries underground
- above ground conflict framed by aggressors
- the aggressors ALWAYS claim victimhood
- Alliance always blamed

- airborne and weather assaults added 1950s
- Lynemouth flood
- Great fog of London
- Operation LAC

- 'Captured' assets whistleblow BUT
- All 3 likely aggressor attacks, with countermeasures
- Zinc Cadmium sulfide binds 33
- Atlantic weather is used often to attack UK
- Cities are targeted
- Planes - Gas, planes/ground - seeding lightning

- Attacks are much more sophisticated now
- Hard to pinpoint source of illness
- Embedded scientists from 1800's find 'cause'
- Blame 'viruses' and bacteria
- Global industry develops 'fighting' attacks
- But calling them 'viruses'
- Make lots of money, continue hoax
- Add more chemicals to 'treat' illnesses caused
- Gatekeepers control scientific research & publishing

- Internationally many influential figures are owned
- Systems of election are owned
- Countries strive to push out infiltrators
- Corporations force mergers and acquisitions
- Hostile take overs, lobbyists in control
- Controlled administration brings in aggressors
- Under the radar infiltrating every aspect
- What looks good is bad and bad is good

- Covid = the game is up
- Aggressors launch global attack
- Physical and psychological

- Real whistleblowers want to expose rot
- Propaganda used to ridicule TRUE whistleblowers
- Embedded whistleblowers now control TRUE ones
- Everything is discarded as 'tin foil hat'
- Messaging is conflicted & confusing
- Messaging is EVERYWHERE
- New Health 'sponsorship' used to control.

- All perpetrators have been shown to us
- Apart from the real controllers (see top of list)
- But aggressors deliberately mixed with innocents
- Continuous targeted attacks on innocent parties
- By the 'captured' and homegrown assets

- AIM?
- Destroy countries from inside
- Destabilize everything that keeps it unified
- WHY?
- To remove borders, identity, leaders
- To dominate and RULE

- AND NOW?
- Conflict in full flow
- Allies forcing above ground
- ALL will see the tips of the monstrous iceberg

- MEANWHILE
- Infiltration being dealt with
- We are being shown who traitors are (assets)
- The traitors behave like they are winning
- The traitors are clearly under instruction
- May now be working for US and not AGGRESSORS

- Slow disclosure because of propaganda noise
- ANYTHING not refuted by aggressor IS true
- Suspend disbelief

- Told we are being attacked
- Whilst attack is in full swing
- Conditioned public turn on messenger
- Told to prepare
- Election campaign 6 weeks
- Attack in days before second announcement
- Weather breaks over PMs announcement
