Dear Sir/Madam,

I am writing to request information under the Freedom of Information Act 2000. I would like to request the following information regarding cell towers within the Town / County Council:

1. The location of each of the cell towers within the district, including their output wattage and frequencies, also the antenna design and range.
2. The owner of each of the towers referenced above.
3. The installation date of each tower and the name of the councillor/s who authorized the installation.
4. The Environmental Assessment Study conducted for each of the cell tower installations.
5. The Safety Assessment Study for each of the towers within the district.
6. A copy of the approval for each of the installations for each of the transmitter towers within the district.
7. A list of the regulations and guidelines, as well as the sources to locate any regulations or guidelines, which regulate the installation of wireless transmitters.

Please provide this information in electronic format via email to [Your Email Address].
If you need any further clarification, please contact me at the following address [Your Contact Information].

Thank you for your assistance.

Yours faithfully,

[Your Name]
