

Borax the super cure

Paul White, Gold Eagle (a personal report)

Borax was swiftly banned in 32 countries after it was found to remove fluoride from the body. It also cures: Arthritis, Osteoporosis, Osteoarthritis, Spurs, Calcium Deposits, Lupus, Autoimmune Hormones, Fungus Candida, Ringworm, Tinea Versicolor Insomnia Skin, Impotence, Morgellons, Chemtrails.

"I have been using borax for many years. I started using it as a tool against my arthritis & learned that it was helpful in de-calcifying my pineal thereafter. I have not used any fluoride toothpaste or other products in at least 15 years & did a 'crash pineal cleanse' in 2012 that was quite a shock to me. The borax helps keep it from getting clogged up again."

BORAX INSTRUCTIONS FOR HAIR

- Dissolve 1 cup of borax into 1 gallon of pure water to use borax for your hair
- Keep this solution in the shower
- Pour 1-2 cups of this solution over your hair (instead of shampoo), ensuring the solution gets to your scalp
- Allow solution to sit on your scalp & hair for a few minutes, rinse
- If you find the borax method dries out your hair, take a small amount of coconut oil & massage it into your hair. You may not need to use the borax solution more than once or twice a week

"I have been doing borax 1/8 tsp 3 days on 2 days off for 2 years now. Arthritis is gone, my gums for some reason are healthier & stronger, no more knee pain, skin is clear - I look much younger. I also put a cup or two in a hot bath at least once a week. No more aches & pains!"

DR KAYALI, Borax Expert & Medical Doctor Suggests

2x a day 1/2 TSP diluted in warm water, you can add cold water on top & some lemon for taste

- For individuals with cancer, make a paste, 1 TSP borax, 1 TSP honey 2x a day
- As your body is detoxing you can feel some itching in the skin so if you like you can start with 1/4 TSP a day & build up

The more detox effect you have the more your body needs it

"Borax is even better to use than baking soda.

I started drinking my distilled water with 1/2 TSP of borax, to a gallon of water, now I am adding more.

Borax: read the article The Borax Conspiracy, very enlightening.

It clears your pineal of heavy metals as well as the rest of your body.

When taken with magnesium, it pulls calcium out of soft tissues and other places it doesn't belong and puts it back into your bones where the calcium does belong. Borax gets rid of candida in the body as well as other fungus. It reverses arthritis, over time. I know because my constant back & hip pain is gone now. My hands are no longer swollen at every joint. I also have lost 10 lbs of toxic fluid & fat around my abdomen area & I did nothing but change to adding 1/2 TSP of borax to all the water I ingest.”
